

Rotary Club of Blairgowrie

Convert your unwanted household goods into a charitable donation.

The Rotary Club of Blairgowrie raises funds for local good causes and national and international charities. In 2006 we raised £12,840 and this was distributed to 36 deserving causes.

Our administration costs are kept to a minimum and our committee takes great care to ensure that our donors' generosity and support are directed to where they are needed most.

You can help with this important fund raising!

Please look around your house - in the attic, the cupboards and your garage or shed and simply take these items to J & J Howe's Saleroom in Reform Street Blairgowrie.

J & J Howe will auction the items in their normal weekly sale and send the proceeds to the Rotary Club for use exclusively in this project.

Auctions will be running throughout the year so you can pick the time that is convenient to you to take your surplus items along - and if they are heavy or bulky just phone the saleroom and they will arrange to collect them from you at a convenient time. Individual items may sell for quite modest sums, but over the weeks and months we would hope to raise a considerable total through this project, which will be added to the sums being raised through the Rotary Club's other activities, all organised to raise money to help people, locally and internationally, who have a real need. Please fill in the other side of this form and take it, with your items for sale, to J & J Howe.

I hope you will support this fund raising effort.

Thank you!

John O'Rafferty - President, Rotary Club of Blairgowrie

J & J **HOWE**
